## NSS Report

### 1.Tree Plantation Drive

On 1.4.2018 a tree plantation drive was organized by Moran college NSS Unit. The programme was started by programme officer of NSS unit of Moran College, Dr Mouchumi Gogoi. Welcome address was given by Dr. Mitali Knowler, Principal Moran College. Mr. Lohit Chetia, a renowned social worker graced the occasion as the chief guest. He inaugurated the programme by planting a sapling of the green plant. He said that plantation plays an important role in keeping the environment clean and green. He also stated that students should also participate in various social activities along with curricular activities for the development of society and nation. This leads to personality development of students when they participate in social activities. More than 300 saplings of green plants of great variety had been planted on the occasion. Around 100 volunteers participated on this occasion. PAPER CUT, PHOTO. PAPER CUT
