## STUDENTS' FEEDBACK ON SYLLABUS AND ITS TRANSACTION

(2021-2022)

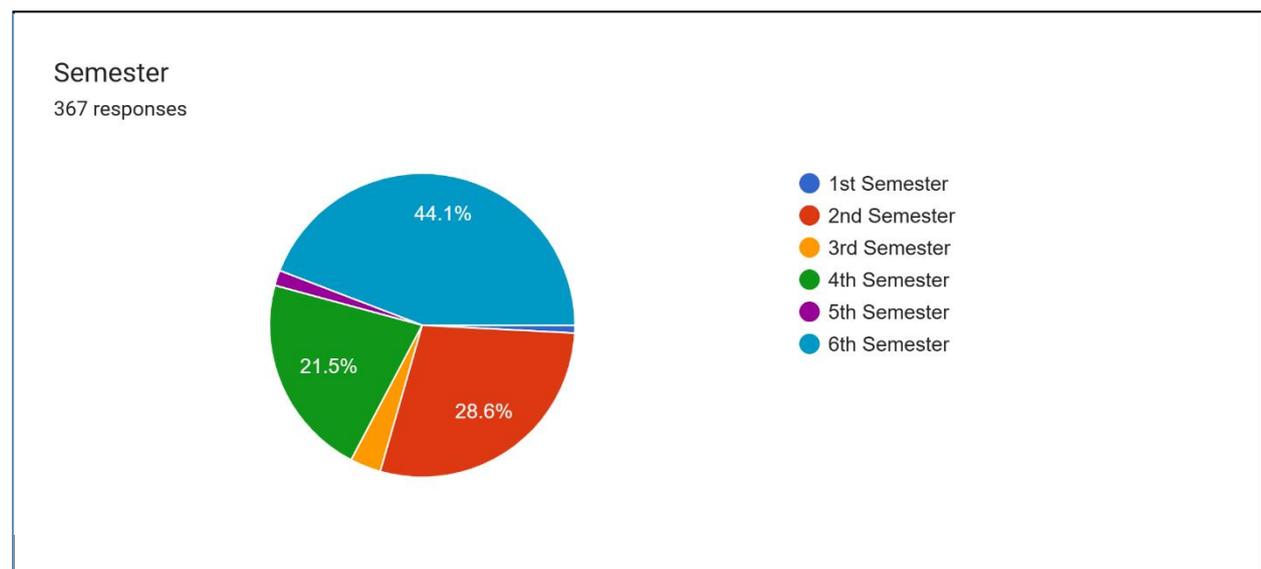

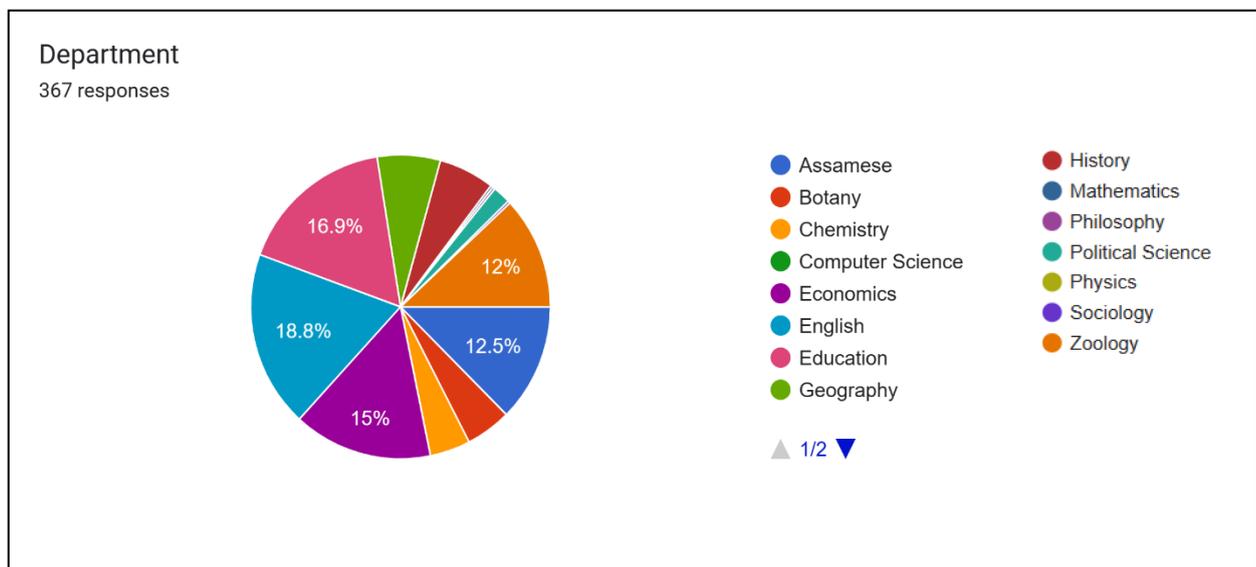

Feedback on syllabus and its transaction has immense importance as that is the only way to keep the curriculum relevant and ensure an effective teaching learning process. The institution collects feedback on syllabus from two main stakeholders – student and teachers. The feedback is mainly taken from students and teachers through google forms at an informal level. Students' feedback are collected through the following google link:

<https://www.morancollege.com/feedback/>

The feedback report is prepared after analysing the responses provided by students of the college for the session 2021 - 22.

## TEACHERS' FEEDBACK ON SYLLABUS AND ITS TRANSACTION

(2021-2022)

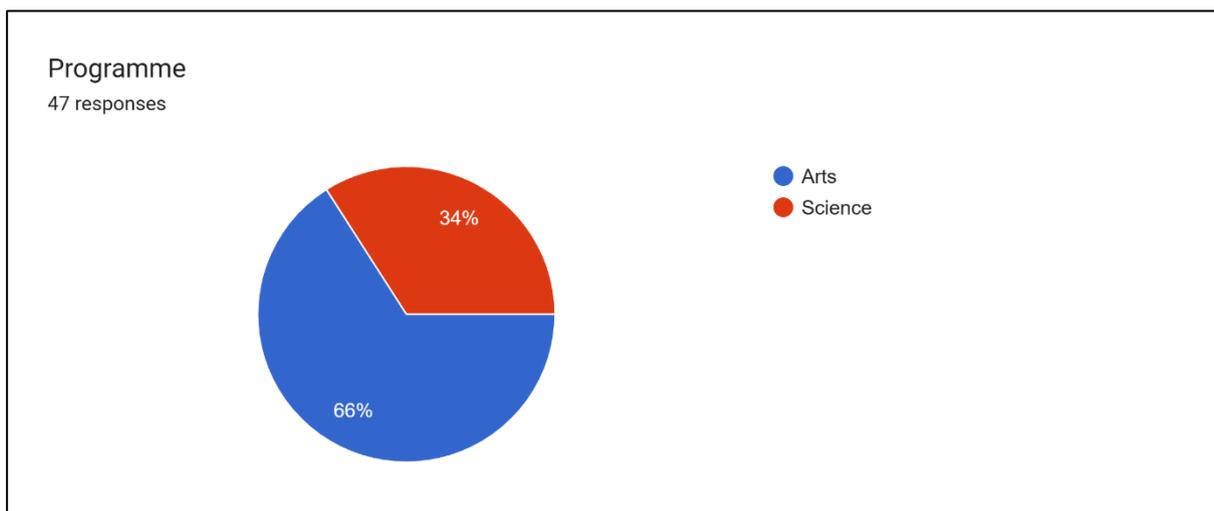

Feedback provides the practitioner and learner with evidence about current knowledge and skill development. Understanding the learner's progress and level of achievement enables the teachers to make decisions about the next steps to plan in the learning program. It enables the learner to reflect on their learning strategies to confirm them or make changes to improve their learning. Teachers' feedback are collected through the following google link:
